Thank you for applying to adopt a pet from the Humane Society of Uvalde.

The first step to no kill is no birth...save a life today...neuter or spay.

When you come to pick up the pet you are adopting, please bring your own collar & leash.

We will provide you with the pet's vet records and rabies tag.

Please also consider bringing an ID tag to place on the pet's collar. The majority of our pets are rescued from the city pound and it would be devastating for them to return there.
